Welcome to No.11 Cavendish Square

Welcome to a Grade II-listed Georgian townhouse, with exceptional classic and modern spaces, fine dining prepared freshly on-site by our catering partner Searcys and complete 21st-century multimedia facilities. One of London's most sought-after outdoor spaces too – and all just moments from Oxford Circus.

Thanks again to you and your staff for yesterday, we have had such positive feedback from attendees and speakers about the facilities, food and service. I'd be grateful if you could pass on my thanks to all your staff, particularly the catering staff.

Our senior management team are already talking about next year's conference.

GambleAWare

I just want to say a huge thank you from myself and the team. You were all fantastic on the event and thanks so much for all your help.

The venue is brilliant, and we are receiving lots of feedback about how well the venue flowed, and how delicious the food was!

We will be back soon.
